Site Remediation/Fiscal

Dear Mr. Zaborske:

Your application for enrollment is complete and above referenced site was enrolled in the Illinois Environmental Protection Agency (Illinois EPA) Site Remediation Program as of March 14, 2006. A partial advance payment in the amount of \$500.00 for anticipated review and evaluation services was received by this office with your application.

Steve McCaslin is the Illinois EPA project manager assigned to provide review and evaluation services for this project and is your primary Illinois EPA point of contact for this site. All routine project correspondence and documents should be directed to him to ensure the quickest possible response. He is available at (217) 782-6760 or by e-mail at Steve.McCaslin@epa.state.il.us.

Welcome to the Site Remediation Program. The Illinois EPA looks forward to completing this project with you and extends its full cooperation and assistance. Visit our web site at www.epa.state.il.us/land/cleanup-programs for additional information concerning the Site Remediation Program.

Sincerely,

Rick Lucas P.E., Manager
